### WOMAN GOSSIP

Dream Pediary.

If there were dreams to sell,
What would you buy?
Some cost a passing bell,
Same a light sigh
That shakes from life's fresh
Only a rose-lest down,
If there were dreams to sell,
Merry and sad to tell,
And the orier rang the bell,
What would you buy?

My Righte.
"Yes God has male me a woman,
And I sm content to be
Just what he meant, not reaching out
For other things, since He
o knows me best and loves me most l'
cridered this forme.

"A woman, to live my life out
In quiet, womanly ways,
Hearing the far-off battle,
Seeing as through a haze
The crowding struggling world of a
through their busy days.
